**The CGM**  
**All Territorial Telecom circle**

**Subject: Modification in the specification of draft EOI for setting up  
the Broadband kiosks in the rural areas.**

**Reference: (i) 64-71/08-Broad band Dated 09-09-2010**  
**(ii) 64-17/08-Broadband/ Pt II Dated 10-01-2013**

It has come to notice of this office that circles are signing/  
signed agreements with BB kiosk private operators without mandatory  
condition of 5KVA engine alternators.

In view of reference No (ii) above, it is reiterated that 5KVA E/A  
requirement should be added in already signed agreements and /or suitable  
modifications may be carried out in proposed EOI/agreement as USOF  
subsidy for kiosks is not available without 5KVA engine alternator.
