Subject: Roll-out obligations under BSNL – USO Fund Agreement.

Respected Sir(s),

BSNL has signed an agreement with USO Fund for providing rural broadband connections including rural broadband Kiosk on 20th January, 2009. As per Clause 27.1 of USO Fund Agreement within 2 years of signing the agreement, that is, upto 20th of January, 2011, the following mandatory roll-out obligations are required to be completed by BSNL under the Agreement:-

- i) To cover at least three Government Institutes and two individual users per DSLAM for rural broadband connections.
- ii) To set up one internet Kiosk per 10 DSLAMs. (10% of total Kiosks)

It is learnt that USO Fund has started verifying, the roll out obligations with BSNL and advising CCAs to impose the penalties wherever applicable.

It is, therefore, required that position of your Circle may kindly be ascertained with respect of the roll out obligations and if roll out obligations are not met in some rural exchange/DSLAMs, such details may kindly be submitted to this office latest by 20th of October, 2011 positively.
