Subject:- Applicability of Basic Tariff Revisions on WLL (Fixed) service provided on CDMA Technology -reg.

One of Zonal Billing Centre CMTS (CDMA) has sought clarification as to whether the orders issued by this office carrying approval for revision of Basic tariff plans as circulated in this office letters of even no 3-4/2013 dated 25-11-2013 (Circulator No. 63/13-14, 64/13-14 & 65/13-14) shall also be applicable for CDMA Plans (Fixed /mobile) also.

The matter has been examined in this office and it is hereby clarified with the approval of Competent Authority that 'for any tariff plan of Basic service, wherever there is a revision, same revision shall be applicable to CDMA technology also, if they have adopted the plans configured in CDR system & also configured same in GSM Billing system (which serves CDMA as well)'
