Subject: Allowing sale of Vanity Numbers through channel partners -reg.

Ref: This office letter no. 32-1/2015/S&M-CM/ (Pt.)/42 Dated:

In continuation to this office letter under reference and subsequent queries from your office regarding sale of vanity numbers through channel partners, it is clarified that since the sale amount of vanity numbers is to be recovered from the C-Top-Up balance of POS, which is GST paid and incentive adjusted, hence the balance amount of commission/ incentive may also be adjusted while recovering the sale value from the C-Top-Up balance of POS.
