On the above mentioned subject, the issues raised vide your office letter under reference were taken up with concerned cells of this office i.e. Taxation & Corporate accounts and based on their comments received, it has been approved by competent authority that *there is no need to apportion revenue, commission & tax liability amongst the concerned circles in the zone, i.e. the nodal circle has to book the whole revenue, commission & tax liability in its accounts.*

As regards payment of commission to e-distributors, it is reiterated that it is to be paid up-front.
