

File No. 9-52/2012-P&P_CM

Dated: 13.11.2013

To,

The Chief General Managers,
All telecom Circles/Metro Districts.

Subject: Guideline regarding Gift Coupons from Sancharsoft to be used for reverse bundling Partners.

Ref: Letter no. 9-6/2013-P&P-CM dated 27.08.2013.

Kindly refer to the above mention letter vide which this office informed about the process of issuing Gift coupons in the form of PINs against the request received from the reverse bundling partners.

It has been informed by reverse bundling partners that they are facing problems in collecting the SUKs (Rs 30, Rs 31 and Rs 35) Gift coupons PINs from the BSNL field offices against their request for Gift Coupon PINs by submitting the required amount of money and the IEMI Numbers.

In this regard, I am directed to convey you that field unit should issue the desired SUK Gift coupon PINs to reverse bundling partners immediately on receipt of payment and IEMI number list. Accordingly all concerned may be instructed suitably.
