**Sub: Implementation of special tariff for Income Tax Department in SSA not migrated to CDR Billing system under Project Tarang-**

The Landline connections provided to ITD under Project Tarang is supposed to be put under ITD Plan. In Non- CDR billing places detailed guidelines for implementation in switch are already conveyed vide NWO Cell Letter no 8-30-2009 PHM Dated the 3<sup>rd</sup> December on the above said subject.

It has come to note of this office that due to non implementation of above orders, billing has not been done as per Tarang for M/S Income Tax, resulting in disconnection of services. This has also caused lot of dissatisfaction among officers of in Income Tax Department.

Kindly implement the same on top most priority. In Chennai Telecom District, a non-CDR station, the ITD Plan has been implemented by writing an in-house program. The same can also be tried by the circle / SSA, if it is found to be easier in implementation. Shri R RAMESH Sr. GM (EB-I) Chennai Telephones (+919444000903) / Ms. Uma Parwal AO Computer (+919444909657) may be contacted.
