Sub: - Implementation of uniform Point of Sale ID in SancharSoft & C-TOP UP platform.

Reference is invited towards BSNL CO letter no MOB-27/Security-2007, dated 21.11.08 (copy available at intranet) vide which a 10 digit alphanumeric code was standardised for franchisee/BSNL outlets with whom BSNL has done agreement.

As you are aware that ERP is being implemented in BSNL in a phased manner and in this regard ERP is to be integrated with SancharSoft and C-TOP UP platform initially in Karnataka circle. Subsequent to implementation of ERP, First Point of Sale (POS) will have to be defined in ERP which will push all details such as SSA, Circle, franchisee code, amount etc to C-TOP UP system. The first Point of Sale or the primary sale shall be done through ERP system.

In this regard, it is therefore requested that standardization of the First Point of Sale i.e. Franchisee/DSA/CSC is done immediately in accordance with the letter dated 21.11.08 referred above in both SancharSoft and C-TOP UP systems immediately.
