No.57-26/2011-CMTS/Vol-IV/part

Dated 02-08-2011

To
The Chief General Manager,
All Telecom Circles/Telecom District

Sub:-Connection in grace period.

In the recent GSM review meeting of South Zone held in Bangalore, some of the circles have reported capacity constraints of HLR and IN.

To ease out the same , I am directed to convey that hence forth the Grace Period connections may be managed at circle level. This will further help the Circle Head to fulfill the purpose of getting '94' series numbers free along with easing the situation of capacity constraints of HLR and IN, if any.
