MESSAGE

Vigilance Awareness Week is being observed this year from 27th October, 2020 to 2nd November, 2020 in Government and Public institutions across India. The theme chosen by the Central Vigilance Commission this year is "सतर्क भारत, समृद्ध भारत (Vigilant India, Prosperous India)".

Integrity is a cornerstone of a system of sound public governance and is vital for the economic prosperity and wellbeing of the organization. The level of willingness to fight corruption reflects in the growth and overall performance of the organization.

During the present unprecedented crisis, BSNL, as a service sector, has assumed more responsibility than any other time to improve the quality of service delivery. We must be responsive to our subscribers and promote accountability in eradicating corruption in the organisation.

I compliment team Vigilance in making utmost efforts in creating a culture and climate, which reinforces integrity to fight against workplace corruption. On this occasion of Vigilance Awareness Week, I extend my greetings to the entire BSNL family and urge upon all the employees to inculcate transparency and integrity in their professional and public life. I also urge all the employees of BSNL and their family (who have already not done so) to take the integrity e-Pledge on BSNL website www.bsnl.co.in
