Director (CFA)

D.O. No.36-3/2008-PHM-MSE
Dated:- 12 .08.2011

Dear Shri.....

C-DOT has developed a report generation (RGEN) software, which indicates the status of IOPs (whether active or not). Through this software the CDR billing platform will be able to know whether the IOPs of any C-DOT exchange are working or not.

This software may be collected from C-DOT and then loaded in the IOPs of C-DOT exchanges. After loading of the software in the IOPs, concerned Zonal Billing center may be informed about completion of this activity. This will enable them to upload the necessary software in the CES of all C-DOT exchanges and this activity may be completed by 9th September 2011 . A comprehensive report on this may be sent to this office in the format annexed along with this letter.

Yours sincerely,

(RAJESH WADHWA)

To,
Shri.....
Chief General Manager,
.....Telecom Circles
BSNL

Copy to: CGM (NCES) for information & necessary action please.

S.NO	No. of IOPs in the circle	No of IOPS, where software has been loaded	Target Data for remaining IOPs.
