Subject: BSNL -ENLISTMENT RULES 2012-ELECTRICAL

The rules for enlistment of contractors in erstwhile DOT was circulated by Electrical Wing vide letter no.5-1/22/EW/98 dated Oct 1998 appearing in Electro-Mechanical Handbook 1998/99 with amendments from time to time. These rules were being followed in BSNL till now.

A necessity for revision in the existing rules was felt due to revision in the cost Index ,creation of new zones etc. over a period of last fourteen years .

I am directed to forward herewith "BSNL-Enlistment Rules 2012-Electrical " for circulation and guidance. The same may be down loaded from the Intranet portal.

These rules will come into force w.e.f 01.10.2012.
