

[Corporate- IT Cell]

No. 1-2/2002/Comp/59

Dated 30.04.2015

To,

1. Chief General Manager
All Circles/Units, BSNL
2. CVO / All PGM /Sr. GM's / G.M.'s of BSNL Corporate office

Ref.: This office letter no. 1-2/2002.Comp/51 dated 11.02.2015

Sub.: Migration of existing intranet user database to new database and implementation of new login process of BSNL Intranet - reg.

We are in the process of restricting the unauthorized users to access the BSNL intranet website. In this connection, the circle/unit administrators have completed the process of user verification (as per ref. letter). The database of these verified users will henceforth be used for allowing access to BSNL Intranet (intranet.bsnl.co.in). On first login, the users will have to authenticate through an OTP (One Time Password) sent to their registered mobile number. **The migration to the new system will be done on 05.05.2014.** After this migration, unverified users will not be able to access BSNL Intranet, till they get their details verified through Circle / Unit Administrators (List attached at Annex – 3).

Please note that henceforth, retired employees will be restricted from accessing the BSNL Intranet circulars. It is based upon the date of birth. To further improve the process, Admin branch of respective units need to provide the details of the VRS employees and employees on deputation to other organizations to their Circle / Unit Administrators to restrict their access.

In the new login process, Personal No. of the employees will be the user-id of BSNL Intranet portal. Some modifications have been made in the login module of applications like CMTS project monitoring and restricted portal etc.

The new login process and instruction to circle administrator are attached at Annex-1 and Annex-2. There will be no change in the login process for unions / associations and audit offices. Their existing user-id will continue.

For any issue or support, kindly contact Ms. Ekta Sinha / Ms. Khusboo Sinha at phone no. 011-23319000 / 23711771 (email address: ekta@bsnl.co.in/ khusboo_sinha@bsnl.co.in).

This has the approval of the competent authority.

(Manish Garg)

2. Dir (CFA / Ent. / Fin. / CM) for kind info pls.
3. ED (CA / CN / Fin. / NB) for kind info pls.
4. GM (NOC – Bangalore) to coordinate with SMSC to ensure smooth functioning of OTP process.

[Corporate- IT Cell]

(Annexure-1 to Letter No. No. 1-2/2002/Comp/59 dated 30.04.2015)

Modified Process of Login in BSNL Intranet

- i) New Login-id will be Personnel No. *(The Personnel No. is obtained by removing the first character from the HRMS No. For instance, if the HRMS No. is 199502230, then the Personnel No. will be 99502230. Similarly, if the HRMS No. is 200104367, then the Personnel No. will be 00104367).*
- ii) For first time login, user needs to create Password which will be mapped to his personnel no.
- iii) For first time login, user gets a screen "Enter Your Personnel No."
- iv) If the user is retired they get message "Welcome to BSNL Intranet! Since you are retired, your access is restricted to retired employees information system!"
- v) If the user is not retired, on entering Personnel no, user will receive 8 digits OTP as SMS on his registered mobile no. The user will have to enter this OTP on the next screen.
- vi) After entering the correct OTP, user will be asked to create new password and confirm it.
- vii) To enforce strong password guidelines, following restrictions are imposed.
 - a. at least six characters
 - b. at least one number, one lowercase and one uppercase letter
- viii) If the user enters incorrect OTP, alert message "Wrong OTP message" would display.
- ix) The OTP will remain valid for 5 minutes.
- x) After entering correct new password, user will get the home page of BSNL Intranet.
- xi) Password change is enforced after expiry of 2 months.

[Corporate- IT Cell]

(Annexure-2 to Letter No. No. 1-2/2002/Comp/59 dated 30.04.2015)

Instructions to Circle / Unit Intranet Administrator

- i) In the intranet new login module, Personal no. of the employees will be the user id of intranet portal. Users will be verified by OTP (one time password) message to be sent on their mobile no. entered in new database. If the mobile no. of any user is not present in the new database, the user gets information like “your mobile no. does not exist, Pl contact your circle administrator”. In that case, the circle administrator will update the user’s profile.
- ii) In the User Management Module (in admin login), Create new intranet user page, Manage intranet user and Delete Intranet user page has been modified. In new user creation page the fields (personal no., name, designation, email, mobile and date of birth) are mandatory. In Manage intranet user and delete Intranet user page data has been displayed against Personal no.
- iii) In CMTS Project Monitoring application, login will be done by clicking on CMTS Project Monitoring link (under application tab in the left side bar of intranet homepage).The user will enter the user id and password as earlier in use.
- iv) As per new login page, the access of BSNL Intranet website will be restricted in the case of retired employees. Based upon the date of birth of the employee, the new system will automatically restrict the access of employees, who get retired in future, as and when they get retired.
- v) The Admin branch of Circle/Unit (ref. main letter) will send the details of the VRS employees and employees on deputation to other organizations monthly and the access for these employees will be stopped by Circle/Unit Administrator.
